WRITE WELL FRIDAY!

TOPIC: Summer is a more enjoyable season than Winter

WHAT I'M LOOKING FOR:

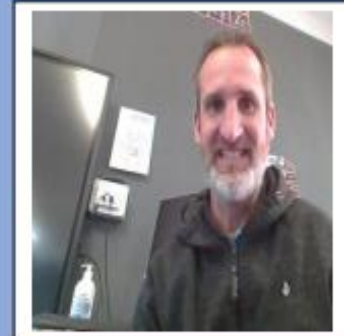

- A clear argument either for or against the topic
- FEEL paragraphs (point, example/evidence, explanation, link)
- Punctuation
- One point per paragraph
- Three points to support your view
- Descriptive language and high modality words

What season do you like? I personally think that Summer is better than winter. Summer the days are longer, you can swim, go to the beach and have Ice cream park/go for a bike ride after school.

During winter the days are shorter and colder, you wouldn't want to swim if it's freezing.

Come up with your own example here

P	The empty bottles kills the sea life
E	Plastic takes a long time to break up and that kills to many animals
E	Plastic is one of the biggest threats known to man
L	That is why we should drink tap water, save the ocean

I love sleeping because dreams are way better than reality...

Don't you just wanna go jump in and sleep for ever

SLEEPING IS MUCH BETTER THAN BEING AWAKE

The best thing to do first thing in the morning is to go right back to sleep.

The sunset no chance of making people happy because people are happy when there

Headphones are better than AirPods

Headphones are better than airpods because Airpods fall out of your ears

Headphones

VS

AirPods are cool but they are so expensive and they always fall out of your ears and then you might even lose them

AirPods

So which one do you pick Headphones or AirPods and why? Can you beat my reason?

Which one do you like better?

Prediction

Tom Gates- Top of the class

I think Tom will have a crazy dream about being school counselor. He will think he is top of the class. Then he may think he will be in his favourite band, 'Dude3'. But really he may be in a detention.

I have only read one of these books but Tom is a funny and troubling boy. He can't go through a new setting without getting into trouble!

Letter....

Dear mum,

I am writing to you to tell you that you really really have to read this very funny book called Funny Kid next level.

I want you to read this book because it is sooo extremely funny and i think the kid in this book is the exact same as me - but i just don't fall asleep on the toilet hahaha. Max is the main character and he is extremely funny and have a very good sense of humour. Max loves to game and his favorite game is Booster. Max always wants to win just like me. there is a mean character in the story and her name is Abbey and she is jealous and hates gaming. Abbey tries to get the game booster banned. This story gives an example why gaming is good for you even though you think it's bad. Gaming is good because you learn new things and it can be social because you can talk to your friends and have fun with them. I would love to read this book so you can see that gaming IS GOOD.

JUST READ IT!!!
