We are looking forward to continuing our exciting learning for all students throughout Term 2. Please contact your classroom teacher if you have any questions or concerns throughout the year.</p> <p style="text-align: center;">1/2P Miss Lauren Piccolo 1/2K Miss Zoe Kanellopoulos 1/2T Miss Jaime Kent 1/2J Mrs Rebecca Johnston (M-Th) Mrs Sandra Martin (Fri)</p>		<p style="text-align: center;">In Stage One we are:</p> <p style="text-align: center;">RESPECTFUL of each other and ourselves.</p> <p style="text-align: center;">SAFE in the classroom and on the playground.</p> <p style="text-align: center;">RESPONSIBLE for our behaviour, our belongings and our attitude to learning.</p>
<p style="text-align: center;">English</p> <p>This term in English, the students will be learning about Narratives (in the form of Fairy Tales) in weeks 1-5 and Persuasive Writing (Expositions) in weeks 6-9. Students will learn about the structure and language features of writing a narrative and an exposition, as well as creating and developing their own Fairy Tales and Expositions that they will be publishing. The students will also be exposed to a wide variety of rich texts that their writing will relate to.</p>	<p style="text-align: center;">Mathematics</p> <p>The students in Stage One will continue to develop their whole number concepts on a daily basis. The topics to be covered this term are:</p> <ul style="list-style-type: none"> ● Addition and Subtraction ● Multiplication and Division ● Fractions and Decimals ● Patterns and Algebra ● Capacity, Time and 3D Objects ● Position and Chance 	<p style="text-align: center;">Science</p> <p>This term in Science, students will be learning about Earth and Space as well as Digital Technologies. Students will explore the changes that occur both on the land and in the sky as well as natural and human changes. Students will be participating in an experiment involving animal tracks and will learn how to record reliable results. Seasonal patterns will also be a focus in Science this term.</p>	<p style="text-align: center;">History</p> <p>During History, students will be investigating how technology has changed over time and the impacts of changing technology. Students will discuss the similarities and differences of technology from the past and sequence them over time. Students will explore the way technology has changed the way we communicate and the impacts of this on people's lives.</p>
<p style="text-align: center;">Personal Development and Health</p> <p>This term in PDHPE, students will explore the choices they can make to ensure their environments are safe and healthy. Students will learn about the different food groups and how healthy food choices can lead to positive wellbeing. Students will also explore how mindfulness can contribute to a health and safe lifestyle. Students will explore the health and safety influences which benefit Aboriginal people as well as the influences others and the media can have on their health and physical activity.</p>	<p style="text-align: center;">CAPA</p> <p>In drama, students will be participating in activities linked to a range of Fairy Tales. Students will use their imagination to step inside the shoes of well-known characters and speak and act alongside their peers.</p> <p>In Visual Arts, students will explore the 'elements of art' including colour, line, shape, and sculpture. Students will get the chance to learn about these elements through discussion and hands-on art making experiences. Students will learn about different notable artists and will develop their ability to appreciate and interpret a variety of artworks.</p>	<p style="text-align: center;">Play Based Learning</p> <p>Stage One students will participate in Play Based Learning sessions twice a week.</p> <p>These sessions will provide the students with opportunities to:</p> <ul style="list-style-type: none"> ● reinforce their learning through play ● develop social and speaking and listening skills ● improve their cooperative learning and problem-solving skills 	<p style="text-align: center;">Homework</p> <p style="text-align: center;">Homework for Stage One will commence in Week 2.</p> <p>Homework will be sent home every Monday and should be returned to school on Friday.</p> <p>Homework will consist of spelling activities, daily home reading, sight words, oral presentation preparation and maths activities.</p>
